371 examine under oath any person as to any matter pertinent to the examination. Upon the failure or
372 refusal of a person to obey a subpoena, the commissioner may petition a court of competent
373 jurisdiction, and upon proper showing, the court may enter an order compelling the witness to
374 appear and testify or produce documentary evidence.

375 (4) When making an examination the commissioner may retain attorneys, appraisers,
376 independent actuaries, independent certified public accountants or other professionals and
377 specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the
378 subject of the examination.

379 (5) Nothing contained in this act shall be construed to limit the commissioner's authority
380 to terminate or suspend an examination in order to pursue other legal or regulatory action
381 pursuant to the insurance laws of the commonwealth. Findings of fact and conclusions made
382 pursuant to an examination shall be prima facie evidence in a legal or regulatory action.

383 (6) Nothing contained in this act shall be construed to limit the commissioner's authority
384 to use and, if the commissioner deems appropriate, to make public any final or preliminary
385 examination report, any examiner or licensee work papers or other documents or any other
386 information discovered or developed during the course of an examination in the furtherance of a
387 legal or regulatory action.

388 (f) (1) Examination reports shall be comprised of only facts appearing upon the books,
389 from the testimony of its officers or agents or other persons examined concerning its affairs and
390 such conclusions and recommendations as the examiners find reasonably warranted from the
391 facts.

392 (2) No later than 60 days following completion of the examination, the examiner in
393 charge shall file with the commissioner a verified written report of examination under oath.
394 Upon receipt of the verified report, the commissioner shall transmit the report to the licensee
395 examined, together with a notice that shall afford the licensee examined a reasonable opportunity
396 of not more than 30 days to make a written submission or rebuttal with respect to any matters
397 contained in the examination report, which shall become part of the report, or to request a
398 hearing on any matter in dispute.

399 (g) Except as otherwise provided, all examination reports, working papers, recorded
400 information, documents and copies thereof produced by, obtained by or disclosed to the
401 commissioner or any other person in the course of an examination, or in the course of analysis or
402 investigation by the commissioner of the financial condition or market conduct of a licensee shall
403 be confidential by law and privileged, shall not be subject to chapter 66 and clause 26 of section
404 7 of chapter 4, shall not be subject to subpoena and shall not be subject to discovery or
405 admissible in evidence in any private civil action. The commissioner is authorized to use the
406 documents, materials or other information in the furtherance of any regulatory or legal action
407 brought as part of the commissioner's official duties. The licensee being examined may have
408 access to all documents used to make the report.

409 (h) (1) An examiner shall not be appointed by the commissioner if the examiner, either
410 directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a
411 pecuniary interest in any person subject to examination; provided, however, that an examiner
412 may be: (i) an owner; (ii) an insured in a life settlement contract or insurance policy; or (iii) a
413 beneficiary in an insurance policy that is proposed for a life settlement contract.

414 (2) Notwithstanding the requirements of this subsection, the commissioner may retain
415 from time to time, on an individual basis, qualified actuaries, certified public accountants or
416 other similar individuals who are independently practicing their professions, even though these
417 persons may from time to time be similarly employed or retained by persons subject to
418 examination under this life settlement act.

419 (i) (1) No cause of action shall arise, nor shall any liability be imposed against the
420 commissioner, the commissioner's authorized representatives or any examiner appointed by the
421 commissioner for statements made or conduct performed in good faith while carrying out the
422 provisions of this act.

423 (2) No cause of action shall arise, nor shall any liability be imposed against a person for
424 the act of communicating or delivering information or data to the commissioner, the
425 commissioner's authorized representative or an examiner related to an examination if the act of
426 communication or delivery was performed in good faith and without fraudulent intent or the
427 intent to deceive. This paragraph does not abrogate or modify any common law or statutory
428 privilege or immunity enjoyed by any person identified in paragraph (1).

429 (3) A person identified in paragraph (1) or (2) shall be entitled to an award of attorney's
430 fees and costs if that person is the prevailing party in a civil cause of action for libel, slander or
431 any other relevant tort arising out of activities in carrying out the provisions of this act and the
432 party bringing the action was not substantially justified in doing so. For purposes of this section a
433 proceeding is "substantially justified" if it had a reasonable basis in law or fact at the time that it
434 was initiated.

435 (j) The charge for each such examination shall be determined annually by the secretary
436 of administration and finance under the provision of section 3B of chapter 7 and shall be paid by
437 each licensee within 30 days after notice from the commissioner of such charge. Such charge
438 shall include an amount equal to the cost of fringe benefits as established by the secretary of
439 administration and finance pursuant to section 6B of chapter 29. If in the course of an
440 examination of a domestic or foreign licensee that maintains a branch office outside the
441 commonwealth, it becomes necessary or expedient for the commissioner or any deputies or
442 examiners to travel outside the commonwealth, such licensee shall pay the proper expenses of
443 the commissioner or any deputies or examiners incurred. Whenever the commissioner deems it
444 advisable, the commissioner shall cause a complete audit of the books of the licensee to be made
445 by a disinterested expert accountant, and such licensee shall pay the proper expenses of such
446 audit.

447 Section 220. (a) A licensed life settlement broker or life settlement provider may conduct
448 or participate in advertisements. Such advertisements shall comply with all advertising laws or
449 rules and regulations promulgated by the commissioner that are applicable to insurers, life
450 insurance producers, brokers and providers.

451 (b) Advertisements shall be accurate, truthful and not misleading in fact or by
452 implication.

453 (c) No person in the business of insurance or the business of life settlements shall:

454 (1) directly or indirectly market, advertise or solicit the purchase of a new policy for the
455 purpose of or with a significant emphasis on settling the policy; or

456 (2) use the words "free", "no cost" or words of similar import in the marketing,
457 advertising, soliciting or otherwise promoting of the purchase of a policy.

458 (3) with respect to a life settlement provider, enter into a life settlement contract unless
459 the related advertisements, as may be prescribed by regulation, have been filed with the
460 commissioner;

461 (d) At the commissioner's discretion, the commissioner may require the submission of
462 advertising material.

463 (e) The commissioner shall require delivery of a buyer's guide or a similar consumer
464 advisory package in the form prescribed by the commissioner to owners during the solicitation
465 process.

466 Section 221. (a) The life settlement provider shall provide to the owner in writing, in a
467 separate document signed by the owner, the following information no later than the date of
468 application for a life settlement contract:

469 (i) that possible alternatives to life settlement contracts exist, including, but not limited to,
470 accelerated benefits offered by the issuer of the life insurance policy;

471 (ii) that some or all of the proceeds of a life settlement contract may be taxable and that
472 assistance should be sought from a professional tax advisor;

473 (iii) that the proceeds from a life settlement contract may be subject to the claims of
474 creditors;

475 (iv) that receipt of proceeds from a life settlement contract may adversely affect the
476 recipients' eligibility for public assistance or other government benefits or entitlements and that
477 advice should be obtained from the appropriate agencies;

478 (v) that the owner has a right to terminate a life settlement contract within 15 days of the
479 date it is executed by all parties; that the owner has received the disclosures required by this
480 section; and that the following statement regarding rescission is included: "Rescission, if
481 exercised by the owner, is effective only if both notice of the rescission is given, and the owner
482 repays all proceeds and any premiums, loans, and loan interest paid on account of the life
483 settlement provider within the rescission period. If the insured dies during the rescission period,
484 the life settlement contract shall be deemed to have been rescinded subject to repayment by the
485 owner or the owner's estate of all proceeds and any premiums, loans, and loan interest to the life
486 settlement provider";

487 (vi) that proceeds will be sent to the owner within 3 business days after the life settlement
488 provider has received the insurer or group administrator's acknowledgement that ownership of
489 the policy or interest in the certificate has been transferred and the beneficiary has been
490 designated in accordance with the terms of the life settlement contract;

491 (vii) that entering into a life settlement contract may cause other rights or benefits,
492 including conversion rights and waiver of premium benefits that may exist under the policy or
493 certificate of a group policy to be forfeited by the owner and that assistance should be sought
494 from a professional financial advisor;

495 (viii) the amount and method of calculating the compensation paid, or to be paid, to the
496 life settlement broker or any other person acting for the owner in connection with the transaction;

497 (ix) the date by which the funds will be available to the owner and the transmitter of the
498 funds;

499 (x) the fact that the commissioner shall require delivery of a buyer's guide or a similar
500 consumer advisory package in the form prescribed by the commissioner to owners during the
501 solicitation process;

502 (xi) the following statement: “All medical, financial or personal information solicited or
503 obtained by a life settlement provider or life settlement broker about an insured, including the
504 insured’s identity or the identity of family members, a spouse or a significant other, may be
505 disclosed as necessary to effect the life settlement contract between the owner and life settlement
506 provider. If you are asked to provide this information, you will be asked to consent to the
507 disclosure. The information may be provided to someone who buys the policy or provides funds
508 for the purchase. You may be asked to renew your permission to share information every 2
509 years.”;

510 (xii) the fact that the commissioner shall require life settlement providers and life
511 settlement brokers to print separate signed fraud warnings on their applications and on their life
512 settlement contracts is as follows: “Any person who knowingly presents false information in a
513 life settlement application or contract may be found guilty of a crime and may be subject to fines
514 and confinement in prison.”

515 (xiii) that the insured may be contacted by either the life settlement provider or life
516 settlement broker or its authorized representative for the purpose of determining the insured’s
517 health status or to verify the insured’s address; provided, that this contact is limited to once every
518 3 months if the insured has a life expectancy of more than 1 year and no more than once per
519 month if the insured has a life expectancy of 1 year or less;

520 (xiv) the affiliation, if any, between the life settlement provider and the issuer of the
521 insurance policy to be settled;

522 (xv) that a life settlement broker represents exclusively the owner and not the insurer, the
523 life settlement provider or any other person, and owes a fiduciary duty to the owner, including a
524 duty to act according to the owner’s instructions and in the best interest of the owner;

525 (xvi) the name, address and telephone number of the provider;

526 (xvii) the name, business address and telephone number of the independent third party
527 escrow agent, and the fact that the owner may inspect or receive copies of the relevant escrow or
528 trust agreements or documents; and

529 (xviii) that a change of ownership may, in the future, limit the insured’s ability to
530 purchase future insurance on the insured’s life because there is a limit to how much coverage
531 insurers will issue on 1 life;

532 The written disclosures shall be conspicuously displayed in any life settlement contract
533 furnished to the owner by a life settlement provider including any affiliations or contractual
534 arrangements between the life settlement provider and the life settlement broker.

535 (b) A life settlement broker shall provide the owner and the life settlement provider with
536 the following disclosures no later than the date the life settlement contract is signed by all

537 parties. The disclosures shall be conspicuously displayed in the life settlement contract or in a
538 separate document signed by the owner and provide the following information:

539 (i) the name, business address and telephone number of the life settlement broker;

540 (ii) a complete and accurate description of all the offers, counter-offers, acceptances and
541 rejections relating to the proposed life settlement contract;

542 (iii) any affiliations or contractual arrangements between the life settlement broker and
543 any person making an offer in connection with the proposed life settlement contracts;

544 (iv) the name of each life settlement broker involved in the life settlement agreement who
545 receives compensation and the amount of compensation received by that broker, which
546 compensation includes anything of value paid or given to the life settlement broker in connection
547 with the life settlement contract;

548 (v) a complete reconciliation of the gross offer or bid by the life settlement provider to
549 the net amount of proceeds or value to be received by the owner. For the purpose of this section,
550 gross offer or bid shall mean the total amount or value offered by the life settlement provider for
551 the purchase of 1 or more life insurance policies, inclusive of commissions and fees; and

552 (vi) that a failure to provide the disclosures or rights described in this section shall be
553 deemed an unfair trade practice pursuant to chapter 176D.

554 (c) A life settlement broker shall disclose to the owner anything of value paid or given to
555 a life settlement broker relating to a life settlement contract.

556 Section 222. (a) Insurance carriers may inquire in the application for insurance whether
557 the proposed owner intends to pay premiums with the assistance of financing from a lender that
558 will use the policy as collateral to support the financing.

559 (b) If the premium financing loan provides funds which can be used for a purpose other
560 than paying for the premiums, costs and expenses associated with obtaining and maintaining the
561 life insurance policy and loan, the application shall be rejected as a violation of this act.

562 (c) The insurance carrier may disclose certain information to the applicant and the
563 insured, either on the application or an amendment to the application to be completed no later
564 than the delivery of the policy, including, but not limited to the following disclosure:

565 “If you have entered into a loan arrangement where the policy is used as collateral and
566 the policy changes ownership at some point in the future in satisfaction of the loan, the following
567 may be true:

568 (1) a change of ownership could lead to a stranger owning an interest in the insured’s life;

569 (2) a change of ownership could in the future limit your ability to purchase future
570 insurance on the insured's life because there is a limit to how much coverage insurers will issue
571 on one life;

572 (3) should there be a change of ownership and you wish to obtain more insurance
573 coverage on the insured's life in the future, the insured's higher issue age, a change in health
574 status, and other factors may reduce the ability to obtain coverage or may result in significantly
575 higher premiums;

576 (4) you should consult a professional advisor, since a change in ownership in satisfaction
577 of the loan may result in tax consequences to the owner, depending on the structure of the loan. ”

578 (d) The insurance carrier may require certifications from the applicant or the insured,
579 including the following certified statement:

580 “(1) I have not entered into any agreement or arrangement providing for the future sale of
581 this life insurance policy;

582 (2) my loan arrangement for this policy provides funds sufficient to pay for some or all of
583 the premiums, costs, and expenses associated with obtaining and maintaining my life insurance
584 policy; however, I have not entered into any agreement by which I am to receive consideration in
585 exchange for procuring this policy; and

586 (3) the borrower has an insurable interest in the insured.”

587 Section 223. (a) A life settlement provider entering into a life settlement contract with
588 an owner of a policy, where the insured is terminally or chronically ill, shall first obtain:

589 (i) if the owner is the insured, a written statement from a licensed attending physician that
590 the owner is of sound mind; and

591 (ii) a document in which the insured consents to the release of his medical records to a
592 life settlement provider, life settlement broker or insurance producer and, if the policy was issued
593 less than 2 years from the date of application for a life settlement contract, to the insurance
594 company that issued the policy.

595 Within 20 days after an owner executes the life settlement contract, the life settlement
596 provider shall give written notice to the insurer that issued that insurance policy that the policy
597 has become subject to a life settlement contract. The notice shall be accompanied by the
598 documents required by clauses (i) and (ii).

599 (b) The insurer shall respond to a request for verification of coverage submitted by a life
600 settlement provider, life settlement broker or life insurance producer not later than 30 calendar
601 days of the date the request is received. The request for verification of coverage shall be made
602 on a form approved by the commissioner. The insurer shall complete and issue the verification

603 of coverage or indicate in which respects it is unable to respond. In its response, the insurer shall
604 indicate whether, based on the medical evidence and documents provided, the insurer intends to
605 pursue an investigation regarding the validity of the insurance contract.

606 (c) Prior to or at the time of execution of the life settlement contract, the life settlement
607 provider shall obtain a witnessed document in which the owner: (i) consents to the life settlement
608 contract, (ii) represents that the owner has a full and complete understanding of the life
609 settlement contract, (iii) represents that the owner has a full and complete understanding of the
610 benefits of the policy,(iv) acknowledges that the owner is entering into the life settlement
611 contract freely and voluntarily, and,(v) for persons with a terminal or chronic illness or
612 condition, acknowledges that the insured has a terminal or chronic illness and that the terminal or
613 chronic illness or condition was diagnosed after the policy was issued.

614 (d) The insurer shall not unreasonably delay effecting a change of ownership or
615 beneficiary with a life settlement contract lawfully entered into in this state or with a resident of
616 this state.

617 (e) If a life settlement broker or life insurance producer performs any of the activities in
618 subsections (a) or (c), the life settlement provider is deemed to have fulfilled the requirements of
619 this section.

620 (f) If a life settlement broker performs those verification of coverage activities required of
621 the life settlement provider, the life settlement provider is deemed to have fulfilled the
622 requirements of this section.

623 (g) All medical information solicited or obtained by a licensee shall be subject to any
624 applicable provisions of this act and state law relating to confidentiality of medical information,
625 if not otherwise provided in this life settlement act.

626 (h) All life settlement contracts shall provide that the owner may rescind the life
627 settlement contract on or before 15 days after the date it is executed by all parties. Rescission, if
628 exercised by the owner, shall be effective only if: (i) notice of the rescission is given, and (ii) the
629 owner repays all proceeds and any premiums, loans and loan interest paid on account of the life
630 settlement provider within the rescission period. If the insured dies during the rescission period,
631 the life settlement contract shall be deemed to have been rescinded subject to repayment by the
632 owner or the owner's estate of all proceeds and any premiums, loans and loan interest to the life
633 settlement provider.

634 Failure to give written notice of the right of rescission shall toll the right of rescission
635 until 30 days after the written notice of the right of rescission has been given.

636 (i) Within 3 business days after receipt from the owner of documents to effect the transfer
637 of the policy pursuant to a life settlement contract, the life settlement provider shall pay the

638 proceeds of the life settlement contract to an escrow or trust account managed by a trustee or
639 escrow agent in a state or federally chartered financial institution pending acknowledgement of
640 the transfer by the issuer of the policy. The trustee or escrow agent shall be required to transfer
641 the proceeds due to the owner within 3 business days of acknowledgement of the transfer from
642 the insurer.

643 (j) Failure to tender the life settlement contract proceeds to the owner by the date
644 disclosed to the owner renders the life settlement contract voidable by the owner for lack of
645 consideration until the time the proceeds are tendered to and accepted by the owner.

646 (k) Any fee paid by a life settlement provider, party, individual or from an owner to a life
647 settlement broker in exchange for services provided to the owner pertaining to a life settlement
648 contract shall be computed as a percentage of the offer obtained, not the face value of the policy.
649 Nothing in this section shall be construed as prohibiting a life settlement broker from reducing
650 such life settlement broker's fee below this percentage if the broker so chooses.

651 (l) No person at any time prior to, or at the time of the application for, or issuance of a
652 policy, or during a 2 year period commencing with the date of issuance of the policy, shall enter
653 into a life settlement contract regardless of the date the compensation is to be provided and
654 regardless of the date the assignment, transfer, sale, devise, bequest or surrender of the policy is
655 to occur.

656 (m) This prohibition shall not apply if:

657 (i) the owner certifies to the provider that the policy was issued upon the owner's
658 exercise of conversion rights arising out of a group or individual policy; provided that the total of
659 the time covered under the conversion policy plus the time covered under the prior policy is at
660 least 24 months; provided, further that the time covered under a group policy shall be calculated
661 without regard to a change in insurance carriers, if the coverage has been continuous and under
662 the same group sponsorship; or

663 (ii) the owner submits independent evidence to the life settlement provider that 1 or more
664 of the following conditions have been met within the 2 year period:

665 (A) the owner or insured is terminally or chronically ill;

666 (B) the owner or insured disposes of his ownership interests in a closely held corporation,
667 pursuant to the terms of a buyout or other similar agreement in effect at the time the insurance
668 policy was initially issued;

669 (C) the owner's spouse dies;

670 (D) the owner divorces their spouse;

671 (E) the owner retires from full-time employment;

672 (F) the owner becomes physically or mentally disabled and a physician determines that
673 the disability prevents the owner from maintaining full-time employment; or

674 (G) a final order, judgment or decree is entered by a court of competent jurisdiction on
675 the application of a creditor of the owner adjudicating the owner bankrupt or insolvent, or
676 approving a petition seeking reorganization of the owner or appointing a receiver, trustee or
677 liquidator to all or a substantial part of the owner's assets;

678 (2) Copies of the independent evidence required by clause (ii) shall be submitted to the
679 insurer when the life settlement provider submits a request to the insurer for verification of
680 coverage. The copies shall be accompanied by a letter of attestation from the life settlement
681 provider that the copies are true and correct copies of the documents received by the life
682 settlement provider. Nothing in this section shall prohibit an insurer from exercising its right to
683 contest the validity of any policy.

684 (3) If the life settlement provider submits to the insurer a copy of independent evidence
685 provided for in subclause (A) of clause (ii) when the life settlement provider submits a request to
686 the insurer to effect the transfer of the policy to the life settlement provider, the copy is deemed
687 to establish that the life settlement contract satisfies the requirements of this section.

688 Section 223A. (a) The commissioner may promulgate regulations implementing this
689 act.

690 (b) (i) If there is more than 1 owner on a single policy, and the owners are residents of
691 different states, the life settlement contract shall be governed by the law of the state in which the
692 owner having the largest percentage ownership resides or, if the owners hold equal ownership,
693 the state of residence of 1 owner agreed upon in writing by all of the owners. The law of the
694 state of the insured shall govern in the event that equal owners fail to agree in writing upon a
695 state of residence for jurisdictional purposes.

696 (ii) A life settlement provider from the commonwealth who enters into a life settlement
697 contract with an owner who is a resident of another state that has enacted statutes or adopted
698 regulations governing life settlement contracts, shall be governed in the effectuation of that life
699 settlement contract by the statutes and regulations of the owner's state of residence. If the state
700 in which the owner is a resident has not enacted statutes or regulations governing life settlement
701 contracts, the life settlement provider shall give the owner notice that neither state regulates the
702 transaction upon which he is entering. For transactions in those states, however, the life
703 settlement provider is to maintain all records required if the transactions were executed in the
704 owner's state of residence. The forms used in those states need not be approved by the
705 commissioner.

706 (iii) If there is a conflict in the laws that apply to an owner and a purchaser in any
707 individual transaction, the laws of the state that apply to the owner shall take precedence and the
708 provider shall comply with those laws.

709 Section 223B. A fraudulent life settlement act shall include:

710 (1) Acts or omissions committed by a person that, knowingly and with an intent to
711 defraud, for the purpose of depriving another of property or for pecuniary gain, commits or
712 permits its employees or its agents to engage in acts, including, but not limited to, the following:

713 (i) Presenting, causing to be presented or preparing with knowledge and belief that it will
714 be presented to or by a life settlement provider, premium finance lender, life settlement broker,
715 insurer, insurance producer or any other person, false material information or concealing material
716 information, as part of, in support of or concerning a fact material to 1 or more of the following:

717 (A) an application for the issuance of a life settlement contract or insurance policy;

718 (B) the underwriting of a life settlement contract or insurance policy;

719 (C) a claim for payment or benefit pursuant to a life settlement contract or insurance
720 policy;

721 (D) premiums paid on an insurance policy;

722 (E) payments and changes in ownership or beneficiary made in accordance with the terms
723 of a life settlement contract or insurance policy;

724 (F) the reinstatement or conversion of an insurance policy;

725 (G) the solicitation, offer to enter into or effectuation of, a life settlement contract or
726 insurance policy;

727 (H) the issuance of written evidence of life settlement contracts or insurance;

728 (I) an application for, or the existence of or any payments related to, a loan secured
729 directly or indirectly by any interest in a life insurance policy; or

730 (J) engaging in stranger-originated life insurance.

731 (ii) Failing to disclose to the insurer, where the request for such disclosure has been asked
732 for by the insurer, that the prospective insured has undergone a life expectancy evaluation by a
733 person or entity other than the insurer or its authorized representatives in connection with the
734 issuance of the policy.

735 (iii) Employing any device, scheme, or artifice to defraud in the business of life
736 settlements.

737 (2) The following acts committed by a person, or that such person permits an employee
738 or agent to commit, in the furtherance of a fraud, or to prevent the detection of fraud:

739 (i) remove, conceal, alter, destroy or sequester from the commissioner the assets or
740 records of a licensee or other person engaged in the business of life settlements;

741 (ii) misrepresent or conceal the financial condition of a licensee, financing entity, insurer
742 or other person;

743 (iii) transact the business of life settlements in violation of laws requiring a license,
744 certificate of authority or other legal authority for the transaction of the business of life
745 settlements;

746 (iv) file with the commissioner or the chief insurance regulatory official of another
747 jurisdiction a document containing false information or otherwise concealing information about a
748 material fact from the commissioner;

749 (v) engage in embezzlement, theft, misappropriation or conversion of money, funds,
750 premiums, credits or other property of a life settlement provider, insurer, insured, owner,
751 insurance policy owner or other person engaged in the business of life settlements or insurance;

752 (vi) knowingly and with an intent to defraud, enter into, broker or otherwise deal in a life
753 settlement contract, the subject of which is a life insurance policy that was obtained by
754 presenting false information concerning any fact material to the policy or by concealing, for the
755 purpose of misleading another, information requested concerning any fact material to the policy,

803 the business of life settlements.

804 (b) (1) Life settlement contracts and applications for life settlement contracts, regardless
805 of the form of transmission, shall contain the following statement or a substantially similar
806 statement:

807 “Any person who knowingly presents false information in a life settlement application or
808 contract may be found guilty of a crime and may be subject to fines and confinement in prison.”

809 (2) The lack of a statement as required in paragraph (1) shall not constitute a defense in a
810 prosecution for a fraudulent life settlement act.

811 (c) (1) A person engaged in the business of life settlements having knowledge or a
812 reasonable belief that a fraudulent life settlement act is being, will be or has been committed
813 shall provide to the commissioner the information required by, and in a manner prescribed by,

834 fraudulent life settlement act or insurance that was fraudulently obtained, the party bringing the
835 action shall plead specifically any allegation that paragraph (1) does not apply because the
836 person filing the report or furnishing the information did so with actual malice.

838 and costs if he is the prevailing party in a civil cause of action for libel, slander or any other
839 relevant tort arising out of activities in carrying out the provisions of this life settlement act and
840 the party bringing the action was not substantially justified in doing so. For purposes of this
841 paragraph a proceeding is "substantially justified" if it had a reasonable basis in law or fact at the
842 time that it was initiated.

858 the privilege granted in paragraph (1).

859 (f) This act shall not:

861 investigate, examine and prosecute suspected violations of law;

865 settlement fraud to a law enforcement or regulatory agency other than the commissioner; or

866 (iv) limit the powers granted elsewhere by the laws of this state to the commissioner or an
867 insurance fraud unit to investigate and examine possible violations of law and to take appropriate
868 action against wrongdoers.

869 (g) (1) Life settlement providers and life settlement brokers shall have in place antifraud
870 initiatives to detect, prosecute and prevent fraudulent life settlement acts. At the discretion of the
871 commissioner, the commissioner may order, or a licensee may request and the commissioner
872 may grant, such modifications of the following required initiatives as necessary to ensure an
873 effective antifraud program. The modifications may be more or less restrictive than the required

875 this section. Antifraud initiatives shall include:

886 other personnel; and

887 (D) a description or chart outlining the organizational arrangement of the antifraud
888 personnel who are responsible for the investigation and reporting of possible fraudulent life
889 settlement acts and investigating unresolved material inconsistencies between medical records
890 and insurance applications.

891 (2) Antifraud plans submitted to the commissioner shall be privileged and confidential,
892 shall not be a public record and shall not be subject to discovery or subpoena in a civil or
893 criminal action.

894 Section 223E. (a) If a person violates this act or any rule or regulation implementing this
895 act, the commissioner may seek an injunction in a court of competent jurisdiction in the county
896 where the person resides or has a principal place of business and may apply for temporary and
897 permanent orders that the commissioner determines necessary to restrain the person from further
898 committing the violation.

899 (b) A person damaged by the acts of another person in violation of this act or any rule or
900 regulation implementing this act may bring a civil action for damages against the person
901 committing the violation in a court of competent jurisdiction.

902 (c) The commissioner may issue a cease and desist order, in accordance with chapter
903 30A, upon a person who violates any provision of this act, any regulation, rule or order adopted
904 by the commissioner or any written agreement entered into with the commissioner.

905 (d) When the commissioner finds that an action presents an immediate danger to the
906 public and requires immediate action, he may issue an emergency cease and desist order reciting
907 with particularity the facts underlying such findings. The emergency cease and desist order shall
908 be effective immediately upon service of a copy of the order on the respondent and shall remain
909 effective for 90 days. If the commissioner begins non-emergency cease and desist proceedings
910 under subsection (c), the emergency cease and desist order shall remain effective, absent an order
911 by an appellate court of competent jurisdiction pursuant to chapter 30A. In the event of a willful
912 violation of this act, the trial court may award statutory damages in addition to actual damages in
913 an amount up to 3 times the actual damage award.

914 (e) The provisions of this act shall not be waived by agreement. A choice of law
915 provision shall not be utilized to prevent the application of this act to a life settlement contract in
916 which a party to the life settlement contract is a resident of the commonwealth.

917 Section 223F. (a) If a person is found guilty of committing a fraudulent life settlement
918 act, that person shall also be found guilty of committing insurance fraud and shall be subject to
919 additional penalties.

921 upon any person, including those persons and their employees licensed pursuant to this act, who
922 is found to have committed a fraudulent life settlement act or violated any other provision of this
923 act.

924 (c) The license of a person licensed under this act that has committed a fraudulent life
925 settlement act shall be revoked for a period of at least 1 year.

926 Section 223G. A violation of this act shall be considered an unfair trade practice under
927 sections 3 and 4 of chapter 176D, and shall be subject to the penalties set forth in section 7 of
928 said chapter 176D.

929 SECTION 2. (a) A person licensed to act as a viatical settlement broker or viatical
930 settlement provider as of the effective date of this act, shall be deemed qualified for licensure as
931 a life settlement broker or life settlement provider, respectively, and shall be subject to all the
932 provisions of this article as if the person were originally licensed as a life settlement broker or
933 life settlement provider.

934 (b) A viatical settlement provider lawfully transacting business prior to the effective date
935 of this act may continue to do so pending approval or disapproval of the application for a license
936 as long as the application is filed with the commissioner not later than 30 days after publication

937 by the commissioner of an application form and instructions for licensure of life settlement
938 providers. During the time that an application is pending with the commissioner, the applicant
939 may use any form of life settlement contract that has been filed with the commissioner pending
940 approval thereof; provided that such form is otherwise in compliance with the provisions of this
941 life settlement act. Any person transacting business under this provision shall be obligated to
942 comply with all other requirements of this act.

947 commissioner not later than 30 days after publication by the commissioner of an application
948 form and instructions for licensure of life settlement brokers. Any person transacting business
949 under this provision shall be obligated to comply with all other requirements of this act.

951 January 1, 2011 involving a life insurance policy in effect, or entered into, on or after the
952 effective date of this act.
