7 twenty-two of chapter five hundred and forty-six of the acts of nineteen hundred and sixty-nine.

8

9 Said fund shall be administered by the office of travel and tourism (hereafter referred to

12 For purposes of definition in this section, an “out-of-state and/or international visitor” is
13 defined as a person who travels 50 or more miles one way to a Massachusetts’ destination or

15 SECTION 2. All activities of the department in regard to the program shall be

20 The department shall promulgate guidelines and regulations regarding the disbursement
21 of funds for the program. In developing said guidelines and regulations, the department shall
22 ensure that:

23 (a) No more than fifteen percent of the total award may be used for public safety and
24 security expenses;

25

26 (b) No more than 20 percent of the total award may be used for administration
27 including professional service fees, such as legal, accounting and event management;

28 (c) Priority may be given to new initiatives that occur during typically slow time
29 periods for tourism activity; and

30 (d) All event funds awarded by the program shall be presumed to continue
31 appropriation into the next fiscal year without reauthorization.

32 SECTION 3. All applicants to the program must receive the written endorsement for
33 allocation of funds by the applicable regional tourism promotion agency. The Department may
34 create applications and written documentation to support the application procedure.

35

36 Program applicants must meet the following criteria:

37 (a) The organization must be a Massachusetts Registered 501(c)6 or 501(c)3
38 organization;

45 (e) Grantees must have a formal partnership with the impacted regional tourism
46 promotion agency as well as regional collaborations for promotional effort.

47 SECTION 4. The program will be administered by the department in accordance with all
48 applicable laws and regulations including final approval of all grant decisions. The department
49 will be responsible for managing the grant review process. This includes distributing guidelines
50 for the program, offering technical assistance to applicants and reviewing grant applications.

52 A seven person advisory committee will be created and consist of the following: the
53 executive director of the department and six members appointed by the Governor who will
