Notwithstanding section 26 of chapter 22C of the General Laws, or any other general or special law to the contrary, Kerry McHugh, Dermot Moriarty, Richard Eubanks and Steven DelNegro, shall annually or retroactively be eligible to pay into the state retirement system a sum equal to the salary differential between the ranks of sergeant and lieutenant as each individual has already retired. The board shall annually calculate the amount owed together with any interest and upon a participating individual's retirement shall pay said retiree at the level of a lieutenant.
