An Act to include substituted cathinones, also known as "bath salts," in class C substances.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Subsection (e) of Class C of Section 31 of Chapter 94C of the General
2 Laws, as appearing in the 2010 Official Edition, is hereby amended by adding the following 2
