7 (2) As used in this paragraph, “DPH” means the Department of Public Health as defined

12 independent investigation, DPH shall determine whether the certified plan is in compliance with
13 the definition of certified plan set forth in this section and whether the project has a reasonable
14 chance of increasing employee health as advanced in the initial proposal as certified by DPH. If
15 DPH determines that the certified project is no longer in compliance, then DPH shall revoke
16 certification of the plan as provided in section 223 of said chapter 111 and notification of
