

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act authorizing the division of capital asset management and maintenance to lease the Max Ulin Skating Rink in the town of Milton.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. (a) Notwithstanding sections 40E to 40K, inclusive, and sections
2 52 to 55, inclusive, of chapter 7 of the General Laws or any other general or special law to the
3 contrary, the division of capital asset management and maintenance, using those competitive
4 proposal processes as the division considers necessary or appropriate, in consultation with the
5 department of conservation and recreation, may lease and enter into other agreements with 1 or
6 more persons or entities, for terms not to exceed 25 years, for the continued use, operation,
7 maintenance, repair and improvement of the Max Ulin Skating Rink, together with the land and
8 appurtenances associated therewith.

9 (b) The failure of a city or town to apply for prequalification under subsection
10 (c) shall not prohibit that city or town from bidding under this section.

11 (c) Before the division, in consultation with the department, sends out a request
12 for proposals under this section, the division shall hold open a prequalification period of 30 days
13 for the town of Milton and any nonprofit organization located within the town of Milton that
14 desires to bid on the rink, or for a partnership of municipalities which share geographic
15 boundaries as long as the subject rink is located within the geographic area of the municipalities
16 comprising the partnership. The town, a nonprofit organization or a partnership of municipalities
17 that desires to lease the rink under this section may submit materials for prequalification. The
18 prequalification determination may consider, but shall not be limited to, the the ability of the
19 town, nonprofit organization or partnership to finance the capital improvements determined to be
20 necessary at the rink by the division and to manage, operate and maintain the property. The
21 division, in consultation with the department, shall determine whether the town, a nonprofit
22 organization or a partnership is prequalified within 15 days of the expiration of the
23 prequalification period. If the town or nonprofit organization is determined to be prequalified,

24 then the town or nonprofit organization shall be awarded the lease for the Max Ulin Skating Rink
25 under the terms and conditions set forth in this act; provided, however, that only 1 lease shall be
26 awarded based on preference as described in subsection (d).

27 (d) (1) The town of Milton shall be given a right of first refusal to lease the
28 Max Ulin Skating Rink provided that the town meets the prequalification standards established
29 by the department under subsection (c).

30 (2) If the town does not bid for the lease and a nonprofit organization
31 and a partnership of municipalities are determined to be prequalified, the nonprofit organization
32 shall be awarded the lease.

33 (3) If more than 1 nonprofit organization is determined to be
34 prequalified, the department, in consultation with the town of Milton, may choose to which
35 nonprofit organization the lease for the rink shall be awarded.

36 (4) The town or a nonprofit organization awarded the lease under this act
37 shall pay the sum of \$1.00 as consideration for the lease, subject to the required capital
38 improvements, performance specifications and other prequalification requirements and terms of
39 the division and submitted proposal. The length of the lease shall be determined between the
40 division and the town or nonprofit organization.

41 (e) The lease and other agreements shall be on terms acceptable to the
42 commissioner of capital asset management and maintenance, after consultation with the
43 commissioner of conservation and recreation and, notwithstanding any general or special law to
44 the contrary, shall provide for the lessees to operate, manage, improve, repair and maintain the
45 property and to undertake initial capital improvements that the commissioners determine are
46 necessary due to the structural condition of the property. The leases or other agreements
47 requiring improvements to be made on the property may include a description of the initially
48 required improvements and performance specifications.

49 (f) Ice time at the rink shall be allocated to user groups in the following order of
50 priority: general public skating; nonprofit youth groups; high school hockey, not for profit
51 schools or colleges; for-profit youth groups and adult organizations or informal groups. Ice time
52 may be allocated at the discretion of the operator, but general public skating shall be booked, in
53 2-hour contiguous blocks at a minimum of 12 hours per week, with a range of times and days
54 which reasonably allow for public skaters of all ages to participate in some public skating
55 sessions. Every effort shall be made to balance the ice allocation needs of long-established youth
56 organizations and newly-formed youth organizations in a manner that provides equal opportunity
57 and equal access for youths of each gender.

58 (g) The leases and other agreements authorized in this section shall provide that
59 any benefits to the community and the costs of improvements and repairs made to the property

60 provided by the lessees or the recipients of the property shall be taken into account as part of the
61 consideration for the lease or other agreements. Consideration received from the lease or other
62 agreements for the rink shall be payable to the department of conservation and recreation for
63 deposit into the General Fund. The lessees or the recipients of the property shall bear the costs
64 considered necessary or appropriate by the commissioner of conservation and recreation for the
65 transactions including, without limitation, costs for legal work, survey, title and the preparation
66 of plans and specifications.

67 (h) The name of the Max Ulin Skating Rink shall not be altered or changed
68 under any lease or other agreement entered into under this act.
